

# AOTEAROA/NEW ZEALAND'S HEALTH SYSTEM IS IN CRISIS

**We urge the House of Representatives to act urgently to:**

- Fix this crisis for all New Zealanders
- Address the disparities for Māori and rural and low-income communities
- Allocate the resources needed to train, recruit and retain more nurses, midwives, doctors, specialists, healthcare assistants and other health workers
- Meet its obligations under Te Tiriti o Waitangi and protect Māori health, in consultation with iwi and hapū
